STUDIOS

ROOF STUDIO

Sitting at the top of the building is our largest dance studio, the Roof Studio. With its curved ceiling and large windows it makes the perfect location for large groups, rehearsals, classes and performances.

≈ 200m² | £65 p/h*

RESEARCH STUDIO

This flexible space with its white walls and large windows is a blank canvas waiting to be transformed to your needs. Smaller than the Roof Studio, it provides a more intimate setting popular for yoga or pilates classes but is ideal for all dance rehearsals, classes and workshops too.

12.7m x 6.5m | Rate
≈ 80m² | £50 p/h*
